

The University of Alabama in Huntsville's chapter of Phi Kappa Phi (the interdisciplinary academic honor society) has established a scholarship for students attending graduate school at UAH. The scholarship currently offers a \$500 award. To qualify for the scholarship, you must meet the following criteria:

- intend to pursue graduate studies at UAH or are currently in graduate school at UAH
- intend to be enrolled as a full-time graduate student at UAH for either fall or spring semester next academic year
- are a current active member of Phi Kappa Phi or have accepted a nomination (and paid dues) to become an active member
- have a minimum GPA of 3.0 on a 4.0 scale
- are a student in good academic standing

If you meet these criteria and are interested in applying, there is an online application at

<http://www.uah.edu/HTML/Admissions/scholar.pdf>.

Mention in the application under "Activities" that you are a Phi Kappa Phi member (or are about to be inducted). Please indicate the institution (if other than UAH) and year. Note that financial need is NOT required, but may be considered if you fill out the FAFSA form indicated in the application.

Also contact the Financial Aid Office directly at rasmusd@uah.edu to notify them that you are a member and have submitted your application. Note that you do not have to meet the February 1 deadline to apply for this scholarship, but applications should be submitted by March 12 in order to give adequate time for the selection process.

If you are chosen as the UAH Phi Kappa Phi Scholar, you are expected to attend the induction ceremony at UAH on April 3 at 7:00 PM, so that you may be formally recognized for your award.
