

Employment and Salary Data

Academic Year 2014/2015

This report represents graduates in August 2014, December 2014, and May 2015. Information was collected through a survey distributed by the UAH Career Center through Symplicity, the University's career management system. The data provided in this report reflects information provided by 276 respondents.*

*Response totals may not always equal the number of survey respondents. Students did not answer every question on the survey.
