

In order to continue the Greenway across Holmes Avenue and to ultimately create a safer pedestrian crossing at Holmes Avenue, we will be relocating the parking lot that services the Library and Nursing Building. **THE START DATE OF THIS RENOVATION HAS BEEN CHANGED TO MONDAY, MAY 6, 2013.**

The renovation will continue for approximately 90 days. The west half of the parking lot and the Holmes Avenue entry will remain open during the renovation. The east half of the lot will be closed as it will become part of a new parking area created with entry from Ben Graves Drive. Upon completion, the new lot will be of comparable size as the current Library parking lot. In an upcoming renovation, the original lot will become part of the Greenway as it crosses Holmes Avenue from the new Charger Union.

The Library will be open regular hours throughout this part of the renovation, and the roundabout at the entrance will remain open for accessing the book drop or dropping off passengers.

This will obviously affect parking, but we will do our best to complete this project in a timely manner. During this renovation, library visitors may find alternate parking at the Intermodal Facility or lots located at University Fitness Center, Spragins Hall, and Wilson Hall/Business Administration Building.
