 Online Experience

When you log in to **myBlueCross** at **AlabamaBlue.com**, you'll find important information and resources.

**myBlueCross FEATURES**

The right side of the screen contains a personalized space for your profile and a toolbar dedicated to your contract. This area includes a brief benefit summary, information about your deductible, and health and wellness resources. Below the toolbar, you will find rotating information promoting new tools and features specific to your contract, as well as important notifications. **No matter where you go on the website, the toolbar will stay with you.**

With the links under **Manage My Contract**, you can:

- View claim statements
- Order ID cards and view or email a virtual ID card
- View your contract and dependent information
- Review and pay your bill if applicable
- Authorize direct deposit
- See other coverage details

The links under **Manage My Health** point to various health and wellness features including access to tools available through **BeHealthy.com** and much more:

- Take the HealthQuotient® (HQ)
- View your Personal Health Record
- Check your symptoms with WebMD's Symptom Checker
- Enroll in Baby Yourself
- Learn about behavioral health services
- Additional information may be available based on your benefit plan
