1. Log onto optumrx.com/myCatamaranRx
2. Sign into the site
3. On the left hand side of the site, under the Dashboard, click on Manage My Prescriptions
4. Click on Medication History
5. Once on the Medication History page, click on the “I consent and authorize my spouse to view my prescription history.”

This functionality will link prescription history. Please note, the functionality to view adult dependent children, age 18-26, will be available soon. Once it is available, your adult dependents will need to register as a new user and authorize you to view his/her prescription history.
