“I am just letting you all know I QUIT. I joined the program through my employer and I will let them know that IT WORKED. I think it worked because I did not pressure myself with a quit date. I was under no pressure at all.”

- Jennifer

“My husband and I both quit the same day. We both used the program and were very happy with the results.”

- Donna

“These people care, I am convinced. They will bug you in encouraging ways but not nag you. If you need them, they are there, and they will listen. It helps a lot.”
