In compliance with the "Timely Warning" provision of the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, the UAH Police Department is giving notice of three burglaries. One in the SECH and two in Frank Franz Hall.

Reported Offense: On September 11, 2011, between 1:00 PM and 6:00 PM, someone entered the unlocked rooms of three different students and stole a backpack and various small electronic items; including two digital cameras, a laptop computer and an IPOD.

There is limited suspect information at this time. However, witnesses observed and a security camera recorded images of a black male, about 6’0” tall wearing a white T-shirt, light blue jeans, and blue sneakers carrying the backpack of one of the victims which he left near an entrance to Charger Village. The back pack was recovered by a Housing staff member and opened to reveal items stolen from the SECH burglary.

The UAH Police would like you to remember the following guidelines:

**Guidelines to help prevent theft**

1. NEVER leave your room unlocked even for a few minutes. Thieves look for targets of opportunity…DON’T give it to them
2. Record the serial numbers of your valuables and keep the list in a safe place.
3. If you see anyone lurking about or just hanging around a main entry door waiting for someone to open the door, report them immediately to a desk attendant, Residence Director, RA or the UAH Police.
4. Don’t allow ANYONE to “Piggyback” into your residence hall behind you!
5. Report crimes to UAH Police immediately upon detection at 256/824-6596. Delaying the report reduces the chances for the perpetrators to be caught and the property recovered.
