UAH Police are alerting the campus community about recent thefts of automobile catalytic converters. The thief typically strikes during daylight hours by simply crawling under a parked vehicle and sawing off the part. Huntsville Police report the same thing is going on around the city.

Police need your assistance in detecting catalytic converter thieves. Report ANYONE you observe acting suspiciously around parked cars and especially if you observe someone crawling under a vehicle.

Act immediately and call UAH Police at 256-824-6911. It takes less than two minutes to commit this crime, so don’t hesitate to call. With your help, we just might catch this person.
