

MEMORANDUM

TO: UAH Faculty, Staff, and Students

FROM: Robert A. Altenkirch, President

DATE: April 17, 2017

SUBJECT: Administrative Organizational Changes

A number of administrative organizational changes are in process of implementation in order to align certain activities more closely with related activities.

Environmental Health and Safety: Previously reporting to the Associate Vice President Facilities and Operations will report to the Associate Vice President for Contracts and Grants (Bob Lindquist), who reports to the Vice President for Research and Economic Development, with dotted line reporting to Facilities and Operations and Academic Affairs

Contracts and Grants Accounting: Previously reporting to the Associate Vice President Finance and Business Services will report to the Associate Vice President for Contracts and Grants (Bob Lindquist), who reports to the Vice President for Research and Economic Development

Charger Card: Previously reporting to the Associate Vice President Finance and Business Services will report to the Associate Vice President for Student Affairs (John Maxon, Auxiliary Services), who reports to the Vice President for Student Affairs

Bevill Conference Center and Hotel: Previously reporting to the Senior Vice President for Finance and Administration will report to the Associate Vice President for Student Affairs (John Maxon, Auxiliary Services), who reports to the Vice President for Student Affairs

Telecommunications Services: Previously reporting to the Senior Vice President for Finance and Administration will report to the Chief Information Officer, Office of Information Technology, who reports to the Provost and Executive Vice President for Academic Affairs

The above administrative organizational changes, while effective immediately, will require a brief period of transition prior to full implementation.

Thanks,

Bob
