     Not Present: Margaret Hall, Penny Lang, Patti Sparkman
   **Recommendations discussed:**
     • Place RSVPs on flyers and all correspondence.
     • Move can drinks and water closer to Smokey’s drink table.
     • Move picnic date after Commencement in May.
     • Solicit door prizes earlier.
     • Offer more vegetarian food options.
     • Use more people for setup – at least 4 workers.
     • Have more people at the registration tables at the beginning of the picnic (at least 4 per
       “Check-In” and 2 per “Question” table). Mid-way through the picnic, reduce the number
       of “Check-In” workers.
     • Continue process of giving plates out with the food ticket take-up.
     • Increase tables from 15 to 20 and chairs from 120 to 160.
     • Suggestion: Have a name tag table and let individuals make a name tag for themselves.
     Other recommendations will be solicited at the May Staff Senate meeting – please notify the
     committee if you have comments/suggestions.
If you solicited and received a door prize donation and have not provided a form to the donor, Liz Redding has “in-kind” form so the donor can receive tax benefits.

IV. Division Reports

A. Academic Affairs – Daniel Wyers
   • None.

B. Advancement- Rachel Osby
   • VP Advancement search in progress. Estimated that airport interviews will occur in June, campus interviews in July, and the candidate selected before fall term.

C. Facilities and Operations – Jorgy Umlor
   • Clarification to move request: restrictions regarding prior notice do not apply to small or event-related situations.
   • The Alabama Turf Association meeting held on campus – it was successful and it is hoped that this may open the door to future meetings.
   • Bid opening on new chiller for central plant; should substantially save the university.
   • Reroofing projects at Roberts Hall and the Bevel Center.
   • New energy manager and facilities appreciate anything that offices can do to save energy (and thus money).
   • Claire Hurdy is the contact for student garden. Jorgy has her number if you want info on next plant sale.

D. Finance and Administration – Vonda Maclin / Ray Pinner
   • Awards ceremony hosted last week for service of 25 years or more. Certificates will be awarded to those with 10 years of service or more.
   • Upcoming retirement planning lunch at SKH.
   • Today is the last day of the legislature cycle. There are lingering issues affecting the education fund. There is a proposed appropriation reduction of $1.7-2.2M and the Governor is threatening to veto / call special session. Ray Pinner indicates that we hope to know this week where the budget stands.

E. Research – Patti Sparkman
   • Crystal Morgan has won a Platinum Hermes award for the Research Review brochure.

F. Student Affairs – Margaret Hall / Jamie Superczynski
   • Week of Welcome is Aug 17-25. Submissions are closed for events. Request from committee for staffing welcome tents on Wednesday morning when classes begin. Many senators expressed interest. Jamie Superczynski can organize a sign-up sheet for volunteers (she will send out).
