- OIT announced a new software service has been purchased for web conferencing needs, which will replace WebEx. This new service is Adobe Connect. Look for additional information on this in the near future. Contact is Wendy Worlund.
- Reminder that Canvas is the new Learning Management System for the campus, which replaced Angel. Wendy Worlund reported that the adoption of and feedback regarding Canvas has been great so far.
- Sherri Restauri noted that UAH is up to 8 approved and 3 pending states with state agency reviews for the University's work on State Authorization, getting us into compliance with 11 states so far. There are 15 state reviews that she is currently working on with a goal of submitting 5-10 this semester; Georgia and Texas the next ones she is working to complete.

- Sherri Restauri reminded the Senate that all courses being entered into Banner need to use the proper Instructional Method codes of Online, Hybrid, or Traditional. Please double-check that these codes are being used within your colleges/departments, and remind your faculty/department chairs to assign these appropriately. Using these labels not only assists students with searching for courses, but is now being used to collect data that the campus uses to complete reports, such as for accreditation.
- The 8th Annual Scholars Institute, which is a UA System-wide conference held in May each year, will be May 12-13 on the UAB campus. The conference focuses on best practices and new ideas for technology in our teaching, learning, and research, as well as support services.
 - A call for presentations as well as registration will open soon. Please save the date and plan to submit a proposal if you are interested in speaking at the

event. There are 50 spots open for the UAH campus staff, faculty, and administrators, as well as 10 spots for Graduate Students who may want to present/attend. A second workshop on Thesis Writing will also be offered Feb 13, 2015 @10am WH 168. Please encourage your graduate students to attend.

B. Advancement – Jim Steele/Sally Badoud

- UAH has been named one of 77 institutions in the US in the areas of Cybersecurity and National Defense. UAH now has Cyber-course scholars sponsored by an NSF grant. This should encourage students and others to draw to our campus for this initiative.

- Office of contracts & grant programs—in 1-2 months, a form will be distributed to the campus requesting information regarding questions on the status for disabilities and veteran status.

F. Executive Committee – Sally Badoud

- Held a January meeting to discuss executive concerns, and discussed a staff senate scholarship, discussed in new business below.

G. New Business/Discussion Items

- Staff Senate scholarship: idea discussed by the Executive Committee.
 - Dana Parcher researched this and found that many other schools provide a Staff Senate Scholarship to someone on campus, many times to a staff member on campus. This can potentially come from Staff Senators. It could be provided to Senators, or to other staff members on campus outside of the Senate itself.
 - Some schools have provided this to a staff member's dependent (child) as an alternative; alternatively another option is to provide the scholarship to a student on campus who is employed here.
 - Also option of an employee textbook fund.
 - Suggestion that we might have a contribution box at the faculty/staff picnic to support this fund if we decide to pursue it.
 - Idea was suggested that perhaps we could instead promote the SAVE fund out of Delois' office (contact is TJ). Discussion ensued regarding the benefits and applications of the SAVE fund.
 - Discussion is to continue on this issue in the future.
- JMI (Just Move It UAH Initiative)
 - 10 week fitness initiative that kicks off this Friday, January 23, 2015 and runs for the following 10 weeks.
 - Staff Senate Team typically selects a name every year. Last year senate was called "The Senators". Discussed selecting a new name but no decisions were made.
 - Senate was asked for a volunteer to serve as our group leader. T.J. Brecciaroli volunteered to serve as our JMI leader for the year.
 - Link to site: <http://www.uah.edu/jmi/>
 - Senators: Please make sure to sign up and select our Team Name (once decided). You may go ahead and sign up/attend meetings prior to being on a team, or change teams, as well.

- Bill proposed from the Bylaws Subcommittee—[S.B.14-15.01](#) (linked)
 - Senators read over the proposed bill S.B.14-15.01 to update the bylaws as it relates to the storage and distribution of Senate minutes.
 - Upon completion of the bill’s first reading at this meeting, we will put it forth for a second reading and vote next, planned for the February meeting. All Senators expressed support at this time for this updated language in the bylaws.
- Time and date for February meeting needs to be adjusted to accommodate for the FAST training. The new date will be Wednesday, Feb. 25, 2015.

H. Announcements

- Staff Senate’s own Vickie Woods sang the national anthem at the recently hockey game and received tremendously positive feedback on this. Thank you and congratulations to Vicki on her wonderful performance.
