Rachel Byrd	Sophomore	I love being involved on campus and feel that SGA would allow me to further my involvement. I want to encourage the student body to attend more events and be more present on campus and in the community of Huntsville. I grew up in Huntsville, but never heard much about what UAH was doing. I want UAH to be present in many more aspects of the Huntsville community. UAH and its student body is an asset to the Huntsville community that I feel is often overlooked. UAH has grown remarkably in the past few years, and I want to help promote its continued growth.
