Can Creation

Each year, The University of Alabama in Huntsville community donates nonperishable food items to the Food Bank of North Alabama through this event. The purpose of the event is to create a sculpture using cans to represent your team, our community, and the Homecoming theme.

Rules:

- Only non-perishable food items in cans may be used.
- **Labels MUST remain on cans. Cans can be covered on the outside to give a more visual effect of the sculpture. Cans must be uncovered after the event and legible to read the label of the can. Therefore, duct tape and glue may NOT be used to cover your cans.**
- Rubber bands, rope, saran wrap, string and yarn may ONLY be used to bind the food items. Wood and metal supports are allowed, but may only be used if they are collectively 1/3 or less of the total size of the sculpture. Canned goods must be a main component of the sculpture.
- Groups found to have removed or damaged labels will be disqualified, as their cans will not be able to be donated.
- You may only have a maximum of 10 people per building team. One member must accompany your sculpture at all times, until after judging is complete.
- **You may bring your materials between 9am - 11am. Building will begin at 11:00am and will end at 3:00pm.**
- The size and space allotted will be determined on a first come first serve basis.
- Teams will need to bring enough boxes to transport their cans to the Food Bank truck after the competition concludes.
- Props may be used to support the concept of the sculpture – but only the sculpture will be judged.
- Teams have an hour and a half to create and build their team sculpture. The build begins promptly at 10am.
- After the event, a minimum of four representatives per team must assist with the clean-up and relocation of canned goods. Representatives must be available until 1:15pm.
- Teams that do not have the required representation at clean-up will lose points.

Judging:

Judges will be selected from among UAH faculty and staff. The judges will determine the winners of Canned Creations and their decision is final. Judging will be based on a fifty point scale:

- Number of cans (10 Possible Points): Have can count ready when a Homecoming Committee Representative comes to check in. (Percentage of cans used per the amount of members in your organization).
- Use of Homecoming theme (10 Possible Points)
- Creativity & Originality (10 Possible Points)
- Charger Pride (10 Possible Points)
- Overall Craftsmanship (10 Possible Points)

Can Creations Clean-Up & Relocation:

1. Sign cannot be placed against City of Huntsville poles with Pedestrian crosswalk buttons. Even though signs placed below may not physically block the push buttons it can make access difficult or impossible for those that are handicapped. The City is very firm that we do not block these or restrict access to them.

Rope should go through the sign and not around the sign, and be attached securely around the pole it is against. Rope placed only around the outside of the sign still gives it the ability to twist loose in high winds. ¼ inch rope or bungee cord should be used, not heavy kite string!

2. Sign must be secured to pole/tree as shown with rope no less than ¼" in diameter.
3. Sign must NOT cover crosswalk button(s) at intersection(s).
4. Sign must NOT block any sidewalks or other pathways on campus.
