Members promote understanding and appreciation of Hispanic culture – literature, art, music, drama, history, geography, politics, and economics and encourage the study of the Spanish language while contributing to the advancement of intercultural relations and international understanding  
**President:** William Parsons

# ACADEMIC

**Organization:** Student Advertising Federation

**Email:** [uahsaf@uah.edu](mailto:uahsaf@uah.edu)

**Description:** SAF's mission is to help UAH students learn more about the advertising industry, network with professionals, provide speakers, help improve resumés, and over all gain experience in advertising. If you or someone you know is interested in gaining experience in marketing, graphic design, communication arts, PR, video production, social media, creative writing, or web design, SAF is the club for you!

**President:** Elizabeth Wiethop

**Organization:** Student Alabama Education Association

**Email:** [saea@uah.edu](mailto:saea@uah.edu)

**Description:** SAEA is a pre-professional organization that is influencing the future of education. It is composed of tomorrow's teachers who are interesting in learning about and preparing themselves for the teaching profession. SAEA is open to any student who is an education major. The organization's purpose is to make pre-service teachers more aware of their role, issues, and problems in education. It also provides an opportunity to interact with other students at UAH and students from other Alabama institutions who are interested in learning more about the profession they have chosen. The UAH chapter of SAEA has been very active and successful. Students have hosted guest speakers who are leaders in education, have attended state conferences with other education students, and have participated in other professional seminars. The chapter was recognized as outstanding state SAEA chapter several times in the past five years.

**President:** Jessica Gore
