

COMMUNITY SERVICE

Organization: Alabama Student Rural Health Association, UAH

Email: uahrural@uah.edu

Description: The purpose of ASRHA is to help pre-professional students gain an understanding of the need of physicians and other healthcare professionals in rural areas of Alabama. We also strive to participate in fundraisers and community service projects to benefit clinics and hospitals of rural Alabama. We will have monthly speakers on topics including, graduate school admissions, practicing physicians, and other healthcare related topics.
