

Austin Finley

My name is Austin Finley, and I am beyond excited to be running as your next SGA President here at the University of Alabama in Huntsville. Over my past term as SGA Consul, "It's on Us" Initiative Coordinator, and Public Relations Committee Head, I have had the wonderful opportunity to meet and advocate for students here at UAH through numerous initiatives and resolutions for change. Being active in SGA is something I am truly passionate about; I am personally committed to improving the overall college experience for students here at UAH through genuine hard work and determination. Being active in other student organizations, such as UAH Lancers and Interfraternity Council, I have a well-diversified background, as well as experience in professionalism, management, and public relations. I have come to call UAH my home, and would like nothing more than to serve as your next Student Government Association President. Go Chargers!

Kareem Omar

As Vice President, I will work closely with Austin and the rest of SGA to serve by connecting our students to Student Government, letting their voices be heard to help improve the academic program and campus as a whole. I
