Verify Personal Information
Check the accuracy of all personal information noted on your admission letter. To update your contact information, major, or application term, please contact the Office of Admissions at 256.824.2773.

Conditions of Admission
Your offer of admission is contingent upon successful completion of all coursework still in progress or listed on your application.
If information is discovered by the university that violates our student code of conduct, your admission may be revoked.
You should continue to maintain academic performance at a level consistent with the admission criteria of UAH.

Submit College Transcript
If you are currently enrolled at another institution, you must submit a final official copy of your transcript to the Office of Admissions as soon as possible to ensure timely evaluation of transfer credit.
Important: If the final official transcript is not received, you may become ineligible to register for courses or adjust your schedule.
Upon admission, transcript credit evaluations will be completed as early as possible, but no later than the first semester of enrollment. You will receive notification via the email account you provided on your application for admission, as well as your UAH email account, when the evaluation is complete.

Begin Using UAH Accounts
Log in and familiarize yourself with your myUAH account at my.uah.edu. MyUAH is UAH's secure web portal, which allows you to access campus information, accept/decline financial aid, register for classes, view grades, and pay your bill. Visit reset.uah.edu and follow the prompts to set up your account and password.
Begin checking your @uah.edu email account for announcements regarding housing and financial aid. To access your UAH email account, visit mail.uah.edu and enter your Charger email address as the username.

Apply for Financial Aid
To be considered for all types of federal aid, submit the Free Application for Federal Student Aid (FAFSA) at fafsa.gov. If you have been receiving federal aid during your current college enrollment, you will need to update your FAFSA with the UAH School Code (001055). When you conclude your enrollment, you will need to cancel any remaining financial aid at your previous college so that your UAH financial aid can be applied to your student account.

Accept Scholarship and Financial Aid Awards
Accept or decline your scholarship and/or financial aid awards through your myUAH account. For step by step instructions, visit uah.edu/acceptmyscholarship.

Meet with Your Academic Advisor
Transfer and second bachelor's students are encouraged to meet with an academic advisor to discuss transfer credit and class selection prior to attending New Student Orientation. Visit uah.edu/academic-advising to schedule your advising appointment.

Register for New Student Orientation
New Student Orientation provides the opportunity to meet with an academic advisor and register for classes, meet other new students, learn about university policies and procedures, and much more. All transfer students are required to attend New Student Orientation or complete Online Orientation. Look for information about New Student Orientation to be sent in early April for the summer and fall semesters and November for the spring semesters. Visit uah.edu/orientation for the most updated information.

Apply for Housing
Apply for university housing at uah.edu/housing.

Contact Student Disability Services
If you have a disability that requires academic or physical accommodations, please contact Disability Support Services (DSS) at 256.824.6203 to file an application. Once you submit an application and the necessary documentation, the DSS office will meet with you to determine the appropriate accommodations. New students are encouraged to complete the process early to ensure timely delivery of services.

Complete Your Immunization Form
To ensure the health and safety of our campus community, students are required to submit immunization records to the Student Health Center. It is recommended that the information be submitted upon admission to avoid delays during orientation and registration. The immunization records form and additional information can be accessed at uah.edu/wellness or by calling 256.824.6775.

TRANSFER SCHOLARSHIPS  uah.edu/transfer-scholarships

UAH recognizes the academic success of new transfer students who are seeking their first bachelor’s degree by offering two-year transfer scholarship awards. Students who have been offered admission to UAH will automatically be eligible for consideration. If your GPA increases once we receive your final transcript and it puts you in a higher scholarship bracket, we will automatically upgrade your scholarship.

RECIPIENTS OF TRANSFER MERIT TUITION SCHOLARSHIPS

To receive a Transfer Merit Tuition Scholarship, students must enroll as a full-time undergraduate student. Twelve credit hours or more per semester is considered full-time. Transfer Merit Tuition Scholarships typically apply only to the regular academic year (fall and spring semesters), with half the annual amount applied to each semester. Requests for the use of scholarship funds during a summer semester must be submitted to the Office of Financial Aid. Recipients of Transfer Merit Tuition Scholarships must accept their scholarship online through my.uah.edu. For step by step instructions, visit uah.edu/acceptmyscholarship.

Renewal criteria | Transfer Merit Tuition Scholarships are renewable for up to one additional consecutive year, for a total award of up to four semesters. Renewal is contingent upon meeting the following requirements:

- Maintain a minimum cumulative grade point average of 3.0
- Earn a minimum of 24 credit hours per academic year
- Be enrolled at the undergraduate level

Residency | Residency status is taken into consideration in setting the amount for Transfer Merit Tuition Scholarships. Should a student’s residency status change, we reserve the right to adjust the scholarship to reflect the appropriate award level based on updated residency status.

Cooperative Education Participation | Participation in the UAH Cooperative Education (Co-op) Program requires that students notify the Office of Financial Aid. Transfer Merit Tuition Scholarships are applied to in-school semesters only, and the students must maintain full-time enrollment during those semesters. Scholarship funds will be applied for a total of up to four semesters provided renewal eligibility is maintained.

Scholarship Cancellation | Students who withdraw from classes, fail to attend a semester, enroll as a part-time student, or do not complete requirements for graduation outlined by their academic program will have their Transfer Merit Tuition Scholarship cancelled.
