

Unusual Enrollment History

Your application was selected for review in a process called "Verification."

In this process, UAHuntsville will be comparing information reported on your FAFSA application to the required documents submitted. The Dept of Education requires that we verify this information before awarding federal financial aid. If there are differences between your application information and your financial documents, our office will make an electronic correction on your FAFSA application.

Submit supporting documents as soon as possible. Any delay will not allow the verification to be processed in a timely manner.

Your 2013-14 Free Application for Federal Student Aid (FAFSA) has been flagged for "Unusual Enrollment History Review" by the U. S. Department of Education because you received Federal Pell Grant funds at multiple education institutions during the review period - 2010-11, 2011-12, and 2012-13. This flag requires UAH to review your enrollment history and determine if you are enrolling for a legitimate educational purpose. In the process of reviewing your enrollment history, UAH will check the National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended and the dates of attendance. If you have questions, contact us promptly so your financial aid will not be delayed.
