## COMMENCEMENT MARSHALL //

Dear Almost Alumni,

On behalf of the faculty, staff, and administration at the University of Alabama in Huntsville, I would like to extend my congratulations as you reach this significant milestone not only in your academic career, but also in your life. We share in your joy and are proud of what you have accomplished during your time here.

When you first arrived on campus at UAH your perspective was shaped by your family, your high school and your childhood friends. Your past provided the lens for you to view your future here at UAH, and shaped your dreams and goals. Now as a member of the Class of 2015, we hope that the knowledge and inspiration you have received from classes, classmates, professors and the organizations and activities in which you have been involved at UAH will frame your future for years to come. Through classes, late night study sessions, trips, activities, research projects and other endeavors you have formed some lifelong friendships and sculpted an identity that has prepared you to lead and serve humanity.

We recognize your journey has been long and difficult, and we are excited to honor you with a meaningful commencement ceremony to help transition you to the next phase of your life. You have earned the title "alumni" as you join others who have graduated from UAH that went on to excel in their chosen professions or academia. We expect great things from our graduates, but I am confident the Class of 2015 will surpass all of those expectations. We take great pride in you and hope that you carry the UAH name with distinction to share your experience and the lessons you learned at this university with the world.

Sincerely,

Brent Wren  
Associate Provost for Undergraduate Studies

# STUDENT INSTRUCTIONS //

## FOR THE ACTUAL CEREMONY

- 1 When you arrive at the student robing area, you will be given a card with your name, marching order number, degree and honor information – **DO NOT LOSE THIS CARD!** This card is your ticket to process across the stage. Also, please do not bend the card. It has been coded with your information (name, etc.), so when you process across the stage all information will appear on the overhead screens. If your card has honors listed (summa, magna, cum laude), you will also be given a University Honor Cord.
- 2 You will be instructed to "find your college line." There will be staff on hand to assist you in finding the right college line for the processional.
- 3 You will process to the arena in alphabetical order within each college/degree area.
- 4 As you march in the processional, keep your place in line as assigned by the Commencement staff.
- 5 When you have reached your appropriate seat, **REMAIN STANDING** until the entire processional party is in and the invocation is concluded.
- 6 Caps (Mortarboards and Tams) are to be worn at all times, with the exception that men will remove their caps during the national anthem and invocation. Dr. Wren (Commencement Marshall) will announce the national anthem and introduce the minister. He will then remove his cap as a signal to you ("gentlemen, please remove your caps"). Please remain standing, men with caps removed, until the invocation is concluded and then be seated and replace caps.
- 7 You will stand next when directed to do so by Provost Curtis, who will recommend that degrees be conferred. President Altenkirch will verbally confer your degree. When President Altenkirch finishes his statement, you should change your tassel from the right to the left (undergraduate students only), which indicates your degree has been conferred. Then be seated.
- 8 Follow the instructions of the floor staff. The direction of the procession will be from both sides of the stage.
- 9 Two colleges will process to the stage simultaneously. Remain in the correct marching order, remember to bring your "Card" to the stage and follow any instructions given to you by staff.
- 10 All students will exit the stage by the center stairs.
- 11 After exiting the stage, follow directions to the photography area before returning to your seat. Each student will have a "posed photograph" taken once the degree has been conferred and he/she has processed across the stage.
- 12 Return to your seat and celebrate with other candidates as they process across the stage.

## GUEST INSTRUCTIONS //

### DAY OF THE CEREMONY

- 1 Guests should be directed to the Propst Arena; doors will open at 1:00 p.m. Due to lack of space in the student robing area, family and friends are not permitted in that area.
- 2 Americans with Disabilities Act (ADA) Compliance. The Von Braun Center is ADA compliant. As new standards are introduced, VBC has implemented those changes or upgrades in a timely manner. However, due to a limited number of compliant seats in the arena, guests who are mobility impaired may not be able to sit with more than one or two family members in the designated ADA sections. Additional ADA seating will be available on the floor as well.

- 3 Photography: The Commencement Committee has arranged to have ZAP Photography at the ceremony to take high quality photographs of each candidate as they receive his/her diploma. Members of the audience are asked not to stand at the rail to take pictures since it may obscure the view of others.
- 4 To maintain the dignity and decorum of the Commencement ceremony, we ask that everyone remain through the entire ceremony.
- 5 Do you need information about the City of Huntsville? Contact the Dean of Student's Office at 256.824.6700 or Charger Union, Room 223, on the UAH campus for tourism packets.

### PHOTOGRAPHER

The Commencement Committee has arranged to have ZAP Photography at the ceremony to take high-quality photographs of each candidate as he/she receives the diploma. Proofs will be sent to you within seven days after Commencement. There is no obligation to purchase the finished prints. Ordered prints will be delivered within thirty days of the deadline printed on order card. ZAP photography is the only photographer authorized by UAH to send photographs to the graduates. [zapfoto.com](http://zapfoto.com)

Make this special occasion memorable by pre-ordering flowers and a class t-shirt for your graduate. Commencement Flowers will be at the ceremony for you to pick-up orders or purchase flowers. For more information, please visit their website at [commencementflowers.com/index.php/alabamahuntsville](http://commencementflowers.com/index.php/alabamahuntsville).

## HONORS //

### UAH HONOR CORDS

For those undergraduates who are eligible, cords have been purchased by the University and will be available at the Von Braun Center during the robing process.

Notice: Honors indicated in the program are based on grades for semesters completed prior to the last semester. Actual honors for all completed work will be subsequently calculated and will appear on the official transcript and diploma.

### UNDERGRADUATES

Graduation with honors at the baccalaureate level requires a minimum of 60 semester hours at UAH. Honors will be determined by the grade-point average for the last 60 semester hours of coursework taken at UAH or the overall GPA for all coursework taken at UAH, whichever is higher. The academic terms containing the last 60 hours of coursework taken at UAH will be identified, and the GPA of all UAH courses taken during those terms to satisfy graduation requirements will be computed and the honors will be determined as follows:

- ▶ If the GPA computed as above is 3.90 or above, the student graduates summa cum laude.
- ▶ If the GPA computed as above is 3.70 or above (but below 3.90), the student graduates magna cum laude.
- ▶ If the GPA computed as above is 3.40 or above (but below 3.70), the student graduates cum laude.

### SCHOOL OF GRADUATE STUDIES

Graduate students should not wear honor cords. The hood adorned with the college colors represents their academic accomplishments recognized by the university.

Graduation honors are not bestowed upon students receiving Masters or Doctoral degrees; therefore graduate degree recipients do not receive or wear honor cords.
