COLLEGE OF ARTS, HUMANITIES, & SOCIAL SCIENCES

WELCOME to the sixth annual Peace on Earth holiday spectacular of the arts! Tonight, the College of Arts, Humanities, & Social Sciences (CAHS) is proud to once again partner with the Huntsville Community Chorus Association to present Peace on Earth.

As you can see, "Arts, Humanities, and Social Sciences" includes a large variety of subjects and programs. Our students learn to grapple with deep problems, understand how to communicate effectively, engage their creativity, and acquire the ability to navigate an increasingly global and multicultural world. Our graduates find meaningful and rewarding careers in a wide variety of areas including the military, law, government, business and industry, social service, non-profit management, medicine, dentistry, television, education, social media, and the ministry.

Just as we are proud of the accomplishments of our students, we are proud of the accomplishments of the top-notch CAHS faculty who inspire them through their teaching, research, creative activity, and community service. Please enjoy tonight's performances and take the opportunity to learn more about the range of programs and opportunities available in our College.
