

INVEST IN YOUR FUTURE //

Do you want to transform your career, meet professional advancement goals, or pursue a new career path? Then you'll want to check out the MBA program at The University of Alabama in Huntsville! We offer:

Flexible Scheduling

With our evening and online classes, you can take your business education to the next level without compromising your professional commitments.

Up-to-Date Curriculum

Reflecting the latest trends in businesses and marketing, our curriculum immerses you in business frameworks that challenge conventional decision-making.

High-Quality Education

Our faculty are internationally known and recognized, bringing both industry experience and advanced research to your classroom.

Networking Opportunities

From our small class sizes to our distinguished lecture series, you'll have the opportunity to form strong and lasting relationships with working professionals in industry and academia.

After all, there's nothing like having an edge over the competition. And we're here to help you get one – with an MBA from UAH.

We are...

- ▶ **AACSB Accreditation**
Representing the benchmark for quality business education worldwide, this mark of excellence is earned by fewer than 5% of all business schools around the world.
- ▶ **US News & World Report**
Ranked among the top 20 part-time professional MBA programs in the Southeast.
- ▶ **Bloomberg Lab and SAP Software**
Access to unique industry tools for understanding how to manage uncertainty with data-driven metrics.
- ▶ **National Science Foundation and Carnegie Ranking**
UAH is ranked among the top 10 schools nationwide for federally funded contracts and grants in management and economics and has achieved a "very high" research ranking, all of which keeps our students at the forefront of industry practice.

SPIRIT OF
DISCOVERY

“The UAH MBA program continues to impress me; the quality of the professors and curriculum has been exceptional. As an entrepreneur, the program has offered a lot to prepare me in making smart business decisions to grow and to strengthen my business.”
