SOC 340-01

SOCIOLOGY OF TOURISM & TRAVEL

Dr. Bhavani Sitaraman MW 2:20-3:40PM

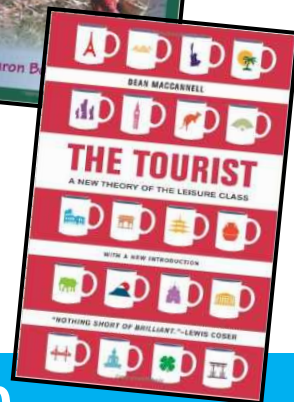

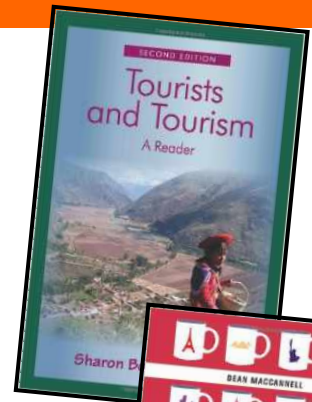

FALL 2014 NEW COURSE!

“A serious study of the practices of travel, leisure, and consumption in contemporary societies.”

Learn about...

- motivations for tourism
- the touristic experience and social interactions between tourists and hosts
- the social construction of tourism sites and the commodification of culture
- the social and ecological consequences of tourism.

The course will include exams, one research project based on field research of a tourist site, and class participation.
