

**Calling  
all science  
and math  
teachers!**

# Tech Trek at UAH

by AAUW

## WHAT IS TECH TREK?

Tech Trek is a weeklong residential science, technology, engineering, and mathematics (STEM) summer camp for rising eighth-grade girls. Through Tech Trek, girls are immersed in a world that empowers and encourages them to think about themselves as future scientists, engineers, mathematicians, and computer specialists. The total family contribution is only \$50 and offsetting scholarships may be available.

## WHEN AND WHERE IS TECH TREK?

Tech Trek, including all sleeping, eating, instructional, and recreational activities, will take place on the campus of **The University of Alabama in Huntsville** **July 20-25, 2014.**

## MAKE A CONTRIBUTION!

If you wish to make a contribution to Tech Trek, you can do so at <http://bit.ly/GivetoTechTrek>.

## HOW CAN YOU HELP?

### WE NEED CAMPERS!

We need seventh grade science and math teachers to nominate girls to attend Tech Trek. All candidates must then pass through an extensive qualification process that includes an application, an essay, and a personal interview. Please nominate girls you believe might benefit! Selection criteria are available at <http://techtrek-al.aauw.net>.

### WE NEED TEACHERS!

We need a team of middle school and high school science and math teachers or college professors to help prepare and teach units as part of Tech Trek.

### Nomination Deadline: February 22, 2014

To nominate a camper or apply to teach or volunteer, contact Joy Agee, Student and Families Coordinator, at [jma0022@uah.edu](mailto:jma0022@uah.edu). You can also direct enquiries to Dr. Rhonda Gaede, Camp Director, at [Rhonda.Gaede@uah.edu](mailto:Rhonda.Gaede@uah.edu).
