

Ashley D. Neeley

Student Specialist IV

Propulsion Research Center

BIO:

Ashley Neeley is Student Specialist IV working with the Propulsion Research Center. She is currently pursuing her bachelor's degree in Aerospace Engineering from UAH. She is a member of the Aerospace Honor Society at UAH (Sigma Gamma Tau) and the National Society of Leadership and Success (Sigma Alpha Pi). She served as the leader of her capstone design team in Phase IV of the NASA/NSSTC SERPENTS Project in which UAH teams designed and developed a lunar robotic worm. She has had a lifetime interest in space exploration and aerospace propulsion systems.
