VOCALISTS	INSTRUMENTALISTS	PIANISTS
Vocalists should prepare two pieces in contrasting styles selected from standard classical vocal repertoire. A foreign language piece is preferred, but not required. Singers must have an accompanist (contact the Music Department if you need help arranging for an accompanist). Students will be asked to sight-read as part of the audition.	Instrumentalists should prepare two pieces (or etudes) in contrasting styles. One of these may be from the All-State Band or Orchestra audition list. Instrumentalists should also be prepared to play all major scales, the A melodic minor scale, and the C harmonic minor scale. An accompanist is welcome, but not required.	Pianists should prepare two memorized pieces in contrasting styles selected from standard Baroque, Classical, Romantic, or Contemporary keyboard literature.

All students will be given a music theory placement exam at the end of their audition. This exam includes time signatures, key signatures, intervals, chords, and scales in treble and bass clef.

If you have any questions, please contact the UAHuntsville Music Office at 256-824-6436 or music@uah.edu.
