Discussion:
• If you have not already, please try to sign up for as many of the small competitions as possible. It is important that UAH is represented in as many competitions as possible. This will help us in the long run. See Matt Barron for details.

• Regionals are going to be held in Miami, Florida this year on the 20, 21, and 22 of March. The theme of the boat this year is “Thoroughbred”. Suggestions for tee shirts and also the boat itself are still being accepted. There is no paint on the boat this year, but we are still allowed to inlay. Please see an officer. Also, the paper and presentation are going to be getting started and volunteers are needed. Please see Sarah Yeldell.

• The work requirement has now been increased to 15 total hours between now and the regional competitions. If this is not met, you will not go to the competition. Sarah will be sending out a schedule of the new work times for this semester.

• If you have any good ideas for fundraising, please see one of the officers and share your idea.

• The mens paddling team is in dyer need of some paddlers. If interested, please see Matt Barron.

• February 8th there will be a Regional Math Counts. It will be held from 7:30-1:00. Graders are needed. If interested, see Sarah.

• The student chapter of ASCE is trying to get up some fun stuff for the upcoming months. Ice skating and a movie night are a possibilities for next month. See Sarah for details.

• There is a miniature boat design in Johnson with the anticipated paint job on it. Check it out and share feedback with somebody.
