They may be individuals who completed programs within any timeframe. The only requirement is that these individuals have less than two years of professional teaching experience.

Report Card and Survey Information

Educator Preparation Institutional Report Card Performance on Required Content Knowledge and Pedagogy

To earn an Alabama educator certificate, based on completion of a traditional approach, an applicant must complete an approved program with a prescribed grade point average (GPA) and meet assessment requirements. Prior to September 1, 2018, assessment requirements included a written test of pedagogical knowledge, Principles of Learning and Teaching (PLT), and Praxis content test specific to the teaching field or subject for which certification is sought. Effective September 1, 2018, edTPA, a performance assessment, replaced the PLT. No exceptions are made with regard to these requirements.

Response to the First & Second Year Teacher Survey created by the
Alabama Association of Colleges for Teacher Education

Historically:

Alabama Association of Colleges for Teacher Education members developed a survey to be administered electronically to first-year teachers who, during the 2017-2018 school year, completed an Alabama State Board of education-approved undergraduate (Class B) or alternative master's degree (Class A) program leading to their first or initial Professional Educator Certificate. A companion survey was administered electronically to the employers of those first-year teachers.

Currently:

Data provided in this report include a summary of survey categories and the percentage of first and second year teachers who strongly agreed, agreed, disagreed, or strongly disagreed that their program prepared them to teach successfully. The data also provide the percentage of employers who rated their first and second year teachers as teacher leader, effective teacher, emerging teacher, or ineffective teacher.
