Comments (optional):

Some courses are cross-listed to serve initial teacher candidates in both the undergraduate program and the 5th year initial licensure program. This results in inflated numbers for course sections and credits hours in section 1 above. Credit hours may seem high, but undergraduate internship is 12 hours to allow students full-time enrollment status and 6 hours to allow graduate students full-time enrollment so they are eligible for financial aid. Alabama does not allow students to enroll in courses during the internship semester.

Admission and graduation requirements for educator preparation programs at the initial certification level, 2012-2013. Please note the admission questions refer to the fall of 2013, while graduation questions refer to the whole academic year of 2012-2013

1. - B8_1 » What are the admission requirements for full acceptance * to your institution's educator preparation programs at the initial certification level?

(Check all that apply)

* Full or unconditional admission means that a student is admitted into the EPP with no additional conditions or stipulations other than what is required of all undergraduate or graduate students to maintain good academic standing. If conditional admission is granted, an additional stipulation (condition) is placed on the student by the EPP. Once this condition is met, the student becomes fully admitted.
