

COE Engineering Camp Policy 2023

We have designed the COE Engineering Camps' cancellation policy to allow as many participants as we can accommodate to attend and to avoid unused spaces at camp.

Waitlists:

Once a camp has filled up, we will start a waitlist for the camp. We will accept participants off the waitlist on a first-come, first-served basis and notify participants via email with the link to register. Participants must register within 2 business days, or forfeit their spot on the waitlist.

Payment Due:

Payment is due in full 30 days before the start date of the camp program. If you register for camp within 30 days before the start date, payment is due upon receipt of the registration acknowledgement email which includes the electronic payment instructions.

Scholarships:

A limited number of need-based scholarships are available. You can request a scholarship as part of the application process.

Cancellations:

Canceled registrations are non refundable within 14 days before the camp program. Refunds will not be granted after that time.

We reserve the right to cancel due to low enrollment. In the event that a camp is canceled, participants will receive a full refund.

Transfers between COE Engineering Camps are subject to availability.

All cancellations must be made in writing to eng_camps@uah.edu.
