# CYBER CHARGED 2023

The UAH  
College of Engineering  
presents

Summer 2023  
Cybersecurity Day camp  
for rising  
6th, 7th & 8th graders

**COLLEGE OF ENGINEERING**  
THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

## Get Cyber-Charged

Cyber-Charged is a day camp program that teaches first principles of cybersecurity in a fun, hands-on environment. Students learn about the building blocks of a computer, programming in python, computer operating systems and software, cybersecurity first principles, cyber-threats, cyber-defenses, network security, firewalls, and virus scanning. Our camps are designed for beginners to intermediates in cybersecurity and computing.

## Cyber-Charged Summer Day Camp Program

- Full-day program for rising 6th, 7th, & 8th graders
- Hands-on activities, classroom learning, lab tours, cybersecurity professional mentors
- REGISTRATION opens February 6, 2023
- Find the registration link at [uah.edu/eng/summer-camps](http://uah.edu/eng/summer-camps).
- COVID—Our campers must follow UAH policies regarding COVID which may include wearing masks. No vaccines are required per state law.

### Important Notes

- The camp fee covers costs for all camp materials and activities.
- Campers will receive lunch and snacks daily.
- All students will receive a t-shirt and other materials to take home.
- Students will be led/monitored by UAH faculty, staff and students. Both male and female camp staff will be present.
