

# GIRLS IN SCIENCE & ENGINEERING

THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

## Support Opportunities

Girls in Science and Engineering Day (GSED), held on the UAH campus is all about STEM discovery and hands-on activities for girls in the 3<sup>rd</sup>-5<sup>th</sup> grade. Girls will participate in a variety of workshops designed to spark their curiosity and excitement about science, engineering and technology. The participants pay a fee of \$15, but **actual costs approach \$60** per participant and fees are waived for those with demonstrated financial need.

There are two GSED events coming up: Saturday, October 30, 2021 and Saturday, April 2, 2022. We expect **200 girls** at each event.

Financial donations and donations-in-kind are essential to the success of GSED. 100% of financial donations are used to support programming for the girls.

### RECOGNITION

For \$1,500 or higher: Organization is named GSED Key Sponsor and recognized on GSED T-shirts and listed in parent booklet.

For \$500 or higher: Organization will be recognized on GSED T-shirts.

All donors will be recognized on the GSED website and in our annual report.

### Monetary Donations

Tax deductible donations for GSED may be made via the UAH Foundation website

### In-Kind Donations

Individuals and organizations may donate items to the program for recognition. Each girl receives a “goody” bag with items to take home.

Examples: Branded items like pens, notepads, etc, and STEM gadgets.

Please contact us about in-kind donations at:
