

UAH College of Engineering

NARSEF DIRECT

NARSEF Direct is a pathway for students who may not have access to a school- or community-sponsored science fair to participate directly in the North Alabama Regional Science and Engineering Fair (NARSEF).

EVENT HIGHLIGHTS

Who can participate?

- Students in grades 6-12 from schools without a local fair in the NARSEF Territory
- Students involved in after-school or community programs
- Homeschool students

How does it work?

1. **Register** through STEM Wizard
2. **Submit Files & Forms** - all projects must follow ISEF rules and will be reviewed by our Scientific Review Committee (SRC)
3. **Prepare Your Project** - develop a project board and practice your presentation
4. **Compete at NARSEF** - present your work to judges and win awards

Why Participate?

- Access to a recognized, professional-level STEM competition
- Advancement opportunities to the State Science & Engineering Fair (ASEF)
- A chance to build research, communication, and problem-solving skills
