

NARSEF 2026 Sponsorship

North Alabama Regional Science and Engineering Fair

Why sponsor?

NARSEF brings together the top science and engineering students from across North Alabama for a one day, in-person event to showcase their independent research. This year, NARSEF will be held on March 6, 2026, at Morton Hall on the University of Alabama in Huntsville campus.

Attendees include: 100+ students from 6th- 12th grades and their families and teachers, 50+ judges, and 15+ STEM Expo exhibitors.

Sponsorship Opportunities:

1. Event Sponsor - covers event, materials, and food costs
2. Awards Sponsor - special awards
