

UAH - COLLEGE OF ENGINEERING PRESENTS 2024 ENGINEERING SUMMER CAMPS

GRADES
5th—10th†

Changing the world is what engineers do - by solving problems with innovation, creativity, and by applying science and technology.

At UAH, our engineering summer camp programs are designed to introduce students to different fields of engineering with classroom learning, hands-on projects, mentoring activities, tours, and much more. Students will have a great time working with UAH faculty, staff, and current students as they explore engineering.
