UAH student-athletes bring home notable 'firsts' and other honors in spring 2024 competitions

From baseball to softball to lacrosse to track and field, UAH Chargers continued their tradition of excellence this spring, reminding competitors and fans why UAH is a force to be reckoned with in the Gulf South Conference.
Charger Preview lets high school students, parents enjoy a taste of life on the UAH campus

High school sophomores and juniors and their parents can learn more about UAH during Charger Preview on Saturday, June 8, from 8:30 a.m. to 1 p.m. Registration is required by Monday, June 3, on the UAH website. Guests can speak with representatives from the offices of Admissions and Financial Aid, tour the campus and enjoy a complimentary meal with UAH students.

Learn more about Blue Gems
UAH researcher leads groundbreaking paper that demonstrates for the first time a subluminal warp drive is possible through known physics

UAH alumnus Dr. Jared Fuchs led a team of physicists that produced the paper, which was supported by Dr. Christopher Helmerich, also an alumnus of UAH. Both researchers worked in conjunction with the New York-based Applied Propulsion Laboratory of Applied Physics.
