Customer has to use own shipping samples account for Shipping samples to us (domestic US shipping)	[CL17101604; Q6758] Please note that we will perform QC on your samples prior to sequencing them. If the samples do not pass QC (i.e. RIN is >8.0), we will ask you to send us new samples. If we do not receive new samples, thereby cncelling the swquencing order, there will be a QC free of \$50.00/sample (Cat#. IR18001). this fee will be waived if you choose to continue with the sequencing order. Quote
