

## Employment and Salary Data

### Academic Year 2012/2013

This report represents graduates in August 2012, December, 2012 and May, 2013. Information was collected through a survey distributed by the UAH Career Center through Symplicity, the University's career management system. The data provided in this report reflects information provided by 467 respondents.\*

\* Response totals may not always equal the number of survey respondents. Students did not answer every question on the survey.
