

Employment and Salary Data

2016 – 2017 Academic Year

This report represent graduates in December 2016, May 2017, and August 20167. The information has been collected through a survey distributed by the UAH Office of Career Services through Symplicity (Charger Path), the University’s career management system. The data provided in this report reflects information provided by 264 respondents.*

*Response totals may not always equal the number of survey respondents. Students did not answer every question on the survey.
