

**2011
Student Poster Scholarship Competition**

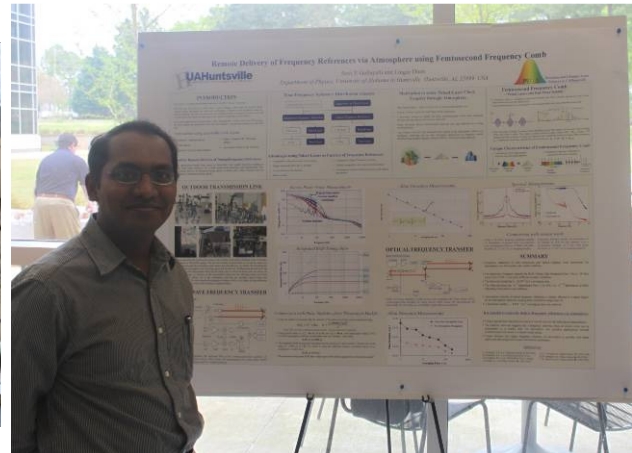

The Huntsville Electro-Optical Society (HEOS) would like to thank the student participants in the Student Poster Scholarship Competition. We had twelve students participate in the event and we're happy to award three scholarships to deserving students engaged in exciting and innovative research. The award funding was generously provided by NASA and HEOS members. HEOS would like to thank all the volunteer judges for taking the time out of their schedules to evaluate the student research and poster presentations. The volunteer judges for this year were:

- Sergey Sarkisov – S
- Stephen H. Fox – Advanced Optical Systems, Inc.
- Peter Erbach – Polar Sensor Technologies, Inc.
- James Carter – NASA

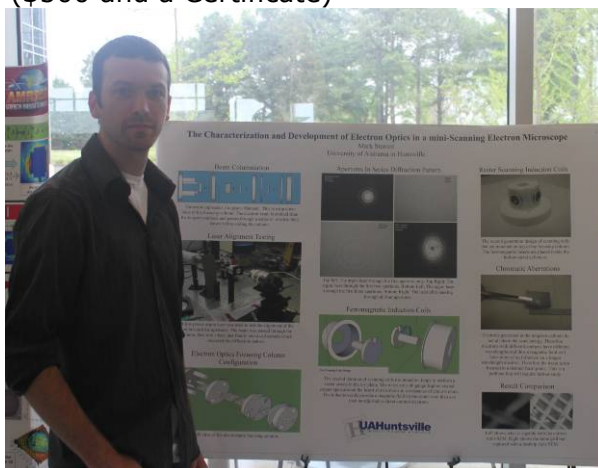

These judges were responsible for independently evaluating the research, technical merit, communication, presentation, poster, and originality of the research. The Student Poster Winners are:

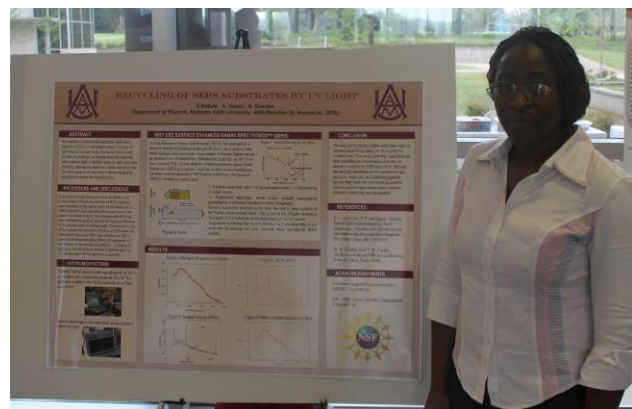

1st place.....Martin Heimbeck
Faculty advisor: Don Gregory
(\$500 and a Certificate)

2nd place.....Ravi Paul Gollapalli
Faculty advisor: Lingze Duan
(\$300 and a Certificate)

3rd place.....Mark Sterrett
Faculty advisor: Don Gregory
(\$200 and a Certificate)

4th place.....Sandra Sadate
Faculty advisor: Anup Sharma
(Certificate)

Congratulations and thank you very much for your participation.
