

**THE UNIVERSITY OF ALABAMA IN HUNTSVILLE
CAMPUS MASS NOTIFICATION SYSTEM – PHASE 3
UAH #:2207008**

**ADVERTISEMENT FOR
REQUEST FOR QUALIFICATIONS (RFQ)**

The University of Alabama in Huntsville requests sealed qualification documents from interested engineering firms in providing full **Engineering Services** for the Campus Mass Notification System - Phase 3 ("Project").

The Campus Mass Notification – Phase 3 Project expands the existing emergency notification capabilities to academic, research, and residential facilities that currently are not covered by the existing campus system. The estimated total project cost is \$4,015,000.

An electronic Request for Qualifications (RFQ) Package including schedule, project description, application requirements, and submission requirements shall be made available to all interested firms. Please email the Department of Facilities & Operations, fopdc@uah.edu, requesting the RFQ package with the project name and project number included in your email.

Final submittals must be received no later than 2:00 pm (Central Time) on December 15, 2023. Please email (1) electronic copy to the following address: fopdc@uah.edu

Firms selected for final interviews will be notified no later than **December 19, 2023**. Interviews are expected to be held on **January 10, 2024**. The University will then recommend appointment of the best, qualified firm to the University of Alabama System Board of Trustees.

This request for qualifications is not an offer to contract but seeks the submission of qualifications from qualified, professional respondents that may form the basis for the negotiation of an agreement. The University reserves the right to reject any or all qualifications and to solicit additional qualifications, through the RFQ process, if that is determined to be in the best interests of the State of Alabama.
