About this document:

Facilities & Operations is pleased to provide this digital catalog of preapproved task chairs.

These chairs cover a wide range of features & costs. Chairs 1-10 are handled through UAH’s purchase order process (from various vendors), while 11 & 12 are ordered directly from the Staples Advantage website.

All chairs featured in this catalog have 300 lb. (or higher) weight rating, along with 12-year (or longer) warranty.

Our goal with implementing these quality standards is to make better use of funds by identifying chairs that would have a long lifespan.
