

Undergraduate Scholastic Affairs Committee

Charge:

The Senate Undergraduate Scholastic Affairs Committee shall monitor the quality of the academic environment relative to its impact on undergraduate students. Specifically, the committee shall:

1. Monitor policies and procedures for all admissions, withdrawals, scholastic probation, grading systems, academic good standing, and any other scholastic issue determined by the committee as relevant to student academic quality.
2. Hear appeals for undergraduate admission and readmission.
3. Review any proposed changes in the academic criteria for awarding any scholarship/financial aid.

This committee shall also be responsible for collecting and disseminating information relative to the development, change or evaluation of procedures or standards for admission, progression, and/or graduation. Specifically the chairperson of this committee will deliver a report to the Senate during the academic year that will include the following information:

1. The status of standards and procedures for admission, progression, and graduation.
2. The status of academic criteria for the awarding of all scholarships and other forms of financial aid at UAH.

This committee shall be responsible for recommending modifications or changes in all policies relative to its jurisdiction.

Membership:

At least one senator from each of the undergraduate colleges and the Library shall be elected to serve on this committee. The Provost or the Provost's designated representative will be an ex-officio member. The committee may designate other ex-officio members depending upon the issues/policies being considered.
