

Senate Undergraduate Curriculum Committee

Charge:

The Faculty Senate Undergraduate Curriculum Committee shall be responsible for monitoring the quality of the university's undergraduate curricula. Specifically, the committee:

1. Shall serve in an advisory capacity to the Provost/EVPAA in matters related to curriculum planning, development, change, and evaluation.
2. May initiate and review any proposed changes affecting programs, basic degree requirements, and the creation or elimination of academic programs.

This committee shall also be responsible for collecting and disseminating information pertaining to the planning, development, change, or evaluation of any academic program. Specifically, the chairperson of this committee shall deliver a detailed report, including recommended changes, to the Senate during the academic year that will include the following information:

1. The status of all undergraduate degree programs.
2. The status of any plans to change or add to existing undergraduate degree programs.
3. The status of any undergraduate academic programs being planned, including, but not limited to any new degree programs, departments, majors, minors, and degree/program options.
4. The status of any new or proposed courses within existing undergraduate curricula.
5. The status of any contemplated or recommended eliminations of existing undergraduate academic programs, including degree and non-degree programs and departments.

This committee shall be responsible for recommending modifications or changes in all undergraduate curricular policies.

Membership:

Membership shall consist of at least one senator from each unit listed in the Faculty Senate Bylaws, II.C.1. Ex-officio non-voting representatives will come from the Office of Admissions and Records and from the Curriculum Committees from each college. The committee may request additional resource personnel (e.g., deans, registrar, directors, etc.) according to the proposals being considered.
