

Senate Resolution 08/09-06: P- Grades in Banner

Whereas the grade of P is listed in the UAH catalog as part of the grading system, and

Whereas Banner does not include P in the grades instructors can assign for courses, and

Whereas grading is the responsibility of faculty members, who have the right to determine appropriate grades for each of their classes,

Therefore be it resolved that

Banner include within the grades instructors can assign the grade P for those classes allowing a grade of P.
