Subject: Response to Faculty Senate Resolution 20/21-3, Handbook Chapter 7 Delay
Breaks Shared Governance

Faculty Senate Resolution 20/21-3, Handbook Chapter 7 Delay Breaks Shared Governance, states that the UAH Faculty Senate completed a revision of Chapter 7 in 2013 which has not been responded to yet by the administration. The resolution states that the Faculty Senate asked numerous times verbally about Chapter 7, will communicate this resolution about Chapter 7, and will form a task force.

As stated during the discussions of this resolution, we proposed that a small working group be formed to work together with Provost Curtis on revised Chapter 7 of the UAH Faculty Handbook. We would welcome working with the task force stated in this resolution because this approach of working together increases the likelihood of coming to a consensus on Chapter 7. We look forward to working with the Faculty Senate Chapter 7 task force.
