COURSE CHANGE

College: Arts, Humanities & Social Sciences

Prefix/Subject Code: ARS

Course Number: 481

Course Title: Etching & Lithography II

Credit Hours: 3

Cross Listed: _____

Nature of Change:
(Check all that apply)

Effective Date: October 1, 2016

Add to Charger Foundations

Course Title Change

Old Title:

New Title:

Course Number Change Old Number: _____ New Number: _____

Course Description Change

Old Description:

This is an advanced course, where etching and lithography are used to make an independent body of work. Students demonstrate how printmaking is a tool for conceptual exploration and expression. Through visual and written research students consider the hand-printed image within our culture.

New Description:

This is an advanced course, where etching and relief are used to make an independent body of work. Students demonstrate how printmaking is a tool for conceptual exploration and expression. Through visual and written research students consider the hand-printed image within our culture.

Move to Inactive

Return to Active

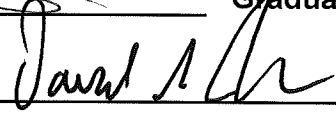

Delete

Justification of Change:

Etching and relief are suitably paired because etching requires printing on the low surface of the matrix, and relief printing requires printing on the high surface of the matrix. Separating the two most technical print processes (Etching and Lithography) and pairing them with less technical processes (Relief and Monoprint) will make it possible for students to absorb and explore the more technical content.
