Fee Change

Old Fee: _____

New Fee: _____

Move to Inactive

Return to Active

Delete

Justification of Change:

The College of Engineering would like to make this course available for Credit by Examination. Many students come from 2-year programs, military programs, or previous work experience with extensive CAD design coursework/experience that does not transfer for credit under our articulation structure. Allowing these students to do credit by examination for this course makes their transition to the Civil Engineering program much easier.

Department Chair: Shankar Mahalingam
