Don't know your Charger ID?
UAH employees can find their Charger ID on their Charger Card. If you know your A-number and you have established a mobile phone number, non-UAH email address, or security questions in Banner, you may learn your Charger ID and/or reset your password at reset.uah.edu.
Select your authentication method, typically ‘Send Me a Push.’ You then verify access through the Duo Mobile phone app. Have questions about Duo? Click this link or visit the OIT website and select Services and Duo from the left menu.
You are now at the myUAH (my.uah.edu) Home page.
