Budget Queries

For a Budget Query to be successful, a user with Fund Organization query access must enter a value in either the Organization or Grant fields as well as the Fiscal Year, Period, and Chart of Accounts fields. If Grant information is queried, all retrieved information is Grant Inception to Date. Otherwise, all information retrieved is through the Fiscal Year to Date.

To perform a comparison query select a Comparison Fiscal Year and Period in addition to the required Fiscal Year and Period. With this selection, all details retrieved will be placed next to the corresponding comparison fiscal period.
