THE UNIVERSITY OF
ALABAMA IN HUNTSVILLE

UALERT

- www.uah.edu/ualert
- UAlert is the UAH emergency notification system. UAlert is a comprehensive communications solution that allows UAH to quickly disseminate an urgent message through multiple communication methods including:
 - Voice messages to cell, home and office phones, text messages to cell phones, email messages, UAH & UAH PD Facebook,
 - UAH regularly tests the UAlert system. Once per semester, sends messages to all devices registered, it test all components of the system and lets the user know what to expect.
 - The Huntsville-Madison County Emergency Management Agency tests the outdoor warning sirens each month. The outdoor sirens are not part of UAlert, however, when you hear an outdoor siren, familiarize yourself with the protective areas in the campus buildings you visit regularly.

See Something, Say Something

- If you see something that does not seem right, call the local emergency services / police
- Know the contact numbers for your local emergency services. (Program emergency #s into phones)
- Submit a tip anonymously through the Rave Guardian App.

Active Shooter Training

- UAH Police provide an active shooter training power point
- Departments, college, teams, & student groups
- 45 – 60 minutes
- Can conduct a walk through
